The editor is moving toward electronic delivery of the annual newsletter over a paper copy. If you have received a paper copy and wish to have electronic delivery, please include a current email with your donation. If you have gotten a paper copy in the past, and received electronic this year, you are likely wondering where to send your donation. There are a few options:

- Mail a paper check to Friends of Perch Lake P.O. Box 891 Hudson, WI 54016
- Go to our website <https://www.friendsofperchlake.com/> and click on the donation tab. This is also where you may purchase MP4's of Homestead history.
- Scan this QR code to be taken directly to the donation page.
